

11 January 1973

MEMORANDUM FOR: Inspector General, United States Army  
SUBJECT : Confirmation Copy of a Memorandum  
Attachment.

1. In response to a request this morning from your Acting Executive Officer, Lieutenant Colonel Evangelos Dantos, I am forwarding herewith a copy of my memorandum to the CIA Inspector General of 8 December 1972. It is attached. Please note that Paragraph 13 of the 8 December memorandum requests its dispatch to your office.

2. On 4 January 1973, an official of the CIA's Inspectorate General told me that the office of our Deputy Director, Major General Vernon A. Walters, had informed our acting IG on 26 December that my memo "had been delivered." The official assumed you were the recipient. However, my inquiries since then suggest that it has been inadvertently delayed or misrouted. Hence the forwarding of this confirmation copy.

3. I would respectfully point out that the allegations in the 8 December memorandum, if true, raise the possibility that infringements have occurred of the Uniform Code of Military Justice. These might include a failure to obey orders or regulations (Section 892, Article 92), false official statements (Section 907, Article 107), and conspiracy (Section 881, Article 81). Since the allegations are serious, specific, and supported by what appears to be good evidence, I think you will agree they are important enough to warrant a full investigation. I will be happy to help you in any way I
